

Healthcare (Entry-level Hospital Staffing)

Training Provider: HealthCare Careers Alliance Program, Life Bridge Health

Program Address: 2401 W. Belvedere Ave., 21215 (Sinai Hospital)

Program Description: This program is run in partnership with Sinai Hospital; the first three weeks of training are conducted by Life Bridge Health (unpaid), followed by an 8-week paid internship in the hospital. Training focuses on Patient Transport, Environmental Sciences, Patient Greeter, and Food Services.

Credential or Certification Earned:

Penn Foster Hard skill training credentialing in one of the following categories may be achieved:

- Dietary Aide
- Hospital Greeter or Sitter
- Patient Transporter
- Patient Service Representative

Potential Job Title:
EVS Aide, Patient
Transporter, Dietary Aide,
Patient Access (Registration)

Average starting wage:
\$15/hr at minimum

In addition, Occupational Skills and Life Skills training credentials are offered based on internship training location/placement.

Due to the many entry-level hospital staffing jobs offered, job descriptions are available upon request to the Program Manager.

This program would be a GREAT fit for you if you...

- Are interested in a career in healthcare or in the healthcare environment
- Enjoy being around people
- Enjoy helping others

This program and career might be a POOR fit for you if you...

- Do not want to work around others
- Like routine in your work setting
- Do not have an interest in healthcare
